For the Cure of COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA and CONSUMPTION

Among the numerous discoveries Science has made in this generation to facilitate the business of life, increase its enjoyment, and even prolong the term of human existence, none can be named of more real value to mankind than this contribution of Chemistry to the Healing Art. A vast trial of its virtues throughout this broad country, has proven beyond a doubt that no medicine or combination of medicines yet known can so surely control and cure the numerous varieties of pulmonary disease which have hitherto swent from our midst thousands and thousands every year. Indeed, there is now abundant reason to believe a remedy has at length been found which can be relied on to cure the most dangerous offections of the lungs. Our space here will not permit us to publish any proportion of the cures affected by its use, but we would present the following opinions of eminent men, and refer further enquiry to the circular which the Agent below name I will always be pleased to furnish free, wherein are full particulars and indisputable proof of these facts. From the President of Amherst College, the celebra-

ted Professor Hitchcock. "James C. Ayer-Sir: I have used your Cherry Pectoral in my own case of deep-seated Bronchitis, and am satisfied from its chemical constitution, that it is an admirable com-pound for the relief of laryngial and bronchial difficulties. If my opinion as to its superior character can be of any service, you are at liberty to use it as you think proper. "EDWARD HITCHCOCK, L.L. D" From the widely celebrated

Professor Silliman, M. D., L.L. D.,

Professor of Chemistry, Mineralogy, &c., Yale College, mem-ber of the Lit. Hist. Med. Phil. and Scientific Socicties of America and Europe.
"I deem the Cherry Pectoral an admirable composition from some of the best articles in the Materia Medica, and a very effective remedy for the class of diseases it is intended New Haven, Ct., Nov. 1, 1849.

MAJOR PATTISON, President of the S. C. Senate, states he has used the Cherry Pectoral with wonderful success, to cure an inflammation of the lungs. From one of the first Physicians in Maine. SACO, Me., April 26, 1849. Dr. J. C. Ayer, Lowell—Dear Sir: I am now constantly using your Cherry Pectoral in my practice, and prefer it to any other medicine for pulmonary complaints. From observation of many severe cases, I am convinced it will curs

coughs, colds, and diseases of the lungs, that have put to de fiance all other remedies. I invariably recommend its use in cases of consumption, and consider it much the best remedy known for that disease.

Respectfully yours. I. S. CUSHMAN, M. D. Respectfully yours. I. S. CUSHMAN, M. D. Prepared and sold by James C. Ayer, Practical Chemist, Lowell, Mass. Sold in Wilmington, N. C., by Dr. A. C. EVANS & BROTHER, and Druggists generally throughout the State.
